

REMARKS

Applicant has secured the services of a registered patent agent to prosecute the application in accordance with Examiner's advice.

Specification

Abstract objections are overcome in the substitute specification submitted as an attachment to this paper.

Disclosure objections are overcome in the substitute specification submitted as an attachment to this paper. The disclosure has been reformatted in accordance with accepted USPTO guidelines including paragraph numbering and sub-numbering. Patent number discrepancies on page 1 have been corrected.

Claim Objections

Claims 1-3 are canceled and new claims are submitted herein.

Claim Rejections

Claims 1-3 are rejected in accordance with 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which the applicant regards as the invention. Claims 1-3 are canceled and new claims are submitted herein distinctly claiming the invention.

Applicants confirm that no new matter is introduced with these amendments. In view of the above amendments and remarks, it is submitted that the Examiner's objections and rejections are overcome, and that applicants' claims are in condition for allowance. Applicants therefore earnestly solicit allowance thereof, and the issue of U.S. letters patent therefore.

Respectfully submitted:
